

WASIT University
College of Science

Haider Majid Tuma

University city, Al-Kut city, Wasit Province, IRAQ

hmtuma@uowasit.edu.iq

Academic Qualifications:-

10/2014 – 9/2016:- M. Sc. (general physics) wasit university /science college /physics department

Master Thesis: (Morphometric Analysis of AL-Chabab River Basin East of Iraq Using Remote Sensing and GIS Techniques).

09/2005- 7/2009 (general physics) wasit university /science college /physics department.

Professional Profile:-

•General

- Highly developed research qualitative and analytical skills with a strong capacity to conduct independent research in **Remote Sensing and GIS**.
- Working knowledge of Word, Excel and PowerPoint.
- Proficient in Arabic and English.

• Committees

- Participant as a membership of various administrative committees
- Participating as a membership of exam committees (2017 -2018-2019-2020).
- Associate member of the Graduation Research Discussion Committees.
- Participation in many seminars and conferences inside and outside the university.

Academic Employment – Teaching and Research

09/2016– Date **Assistant lecturer**
Department of Physics, College of Science, Wasit University

Responsibilities

- theoretical subjects: - general physics chemistry / general physics earth sciences.
- Practical Materials: - Thermal Lab / Modeling Lab / Numerical Analysis Lab / Solid Lab / Materials Lab / Analogue Lab / Electrical Lab

12/2011-9/2014 **Physical assistant**
Department of Physics, College of Science, Wasit University

Responsibilities

Taught practical Thermal Lab / Modeling Lab / Numerical Analysis Lab / Solid Lab / Materials Lab / Analogue Lab / Electrical Lab (physics).

Administrative Positions:-

- Maintenance department official at College of Science.
- Responsible for the Research and Development Division at College of Science.
- Decision of the Department of Geosciences at College of Science.

Employment History – General

Year		No. of years	Position and Employer
From	To		
2011	2014	4	Physical assistant / Department of Physics, College of Science, Wasit University
2014	2016	3	Post-graduate Student (M Sc) / Department of Physics, College of Science/ Wasit University
2016	Date	-	Assist. Lecturer / Department of Physics, College of Science, Wasit University
